

WHY SHOULD I OFFER MY EMPLOYEES DENTAL BENEFITS?

A competitive benefits program retains employees and attracts top industry talent.

69%
of employees
believe dental
insurance is a **MUST-HAVE** benefit.

Dental coverage is the

#1

benefit employees
want and value
following medical.

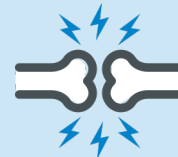

Offering dental benefits not only encourages employees to seek preventive care early on but it also reduces instances of workers taking off for unplanned illnesses and emergency dental work. Dental insurance promotes good oral health, which is essential to maintaining good overall health.

Those without dental benefits report higher incidences of other illnesses:

67% are more likely to have heart disease

50% more likely to have osteoporosis

29% more likely to have diabetes
